

FOOD JUSTICE FORUM

Cultivating University-Community Partnerships for a Healthier Society

Join UCSD researchers, community gardeners, farmers, planners and others who are working together to improve food systems for environmental and public health.

Professor Robert Gottlieb, Director of the Urban & Environmental Policy Institute at Occidental College, will set the stage for the Forum's Roundtable and Public Dialogue by introducing the concept of Food Justice.

Help transform where, what, and how our food is grown, produced, transported, accessed and eaten on the path to a healthier and more just society.
